**Access APPs**

Our Access APPs provide timely care for unplanned injuries or ailments directly related to the body’s bone, joint, and soft tissue structures. Our Access APPs specialize in care for orthopedic injuries and musculoskeletal issues. Examples include:

- Sprains/Strains
- Fractures
- Sports Injuries
- Acute joint pain
- Injuries to the shoulder, knee, foot/ankle, and hand/wrist

They provide the following services to treat your immediate orthopedic needs:

- X-Ray, bracing and casting
- If follow-up care is needed, it will be scheduled at that office.

**Adam Bryant, PA-C**

**Bonney Lake (Access APP)**

**Board certified**

**Special interests:** orthopedic surgery and sports medicine. In addition to treating a wide variety of injuries, he performs intraarticular injections, splinting, bursa injection and casting.

**Nicholas Fox, PA-C**

**Good Samaritan (Access APP)**

**Board certified**

**Special interests:** general orthopedics from bursitis and osteoarthritis to sports medicine injuries. Special interest in shoulder injuries, and prior experience in the OR assisting with joint replacements, rotator cuff repairs, meniscal and anterior cruciate ligament repairs, carpal tunnel release and fracture repair.
